

Bianca Mirror

#43156

Our Bianca Mirror features an oversized rectangular frame characterized by a dimensional lattice pattern. The entire piece is then covered by a lovely antique silver finish. The mirror of the frame has a bevel, enhancing its overall look. D-rings are affixed to the back of the frame so that the mirror is ready to hang right out of the box in either a horizontal or vertical orientation! This mirror also includes security hardware to safely attach the large frame to the wall when using as a floor mirror.
