

Fleur Mirror Set

#13314

This set of 3 mirrors feature metal frames fashioned to resemble flowers. They are finished in an antique copper accented with gold and black highlights. The mirror on each flower is round and convex. The set includes a large, medium and small sized flower. Create an interesting focal point on your wall with all three pieces together or use each on their own all over your house. The Fleur Mirror Set is a perfect accent piece for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirrors so they are ready to hang right out of the box!
