

24" x 24" Pillow Mirador Morn Indigo

#3-698

Florals don't have to be fussy. Case in point: Mirador Morn. The summery geranium-patterned pillow is named for and inspired by the Virginia home of Nancy Lancaster, the storied American designer credited with creating the relaxed English country house style and sensibility. Backed in the natural tan lattice-patterned Cove End, the pillow takes a graphic stand that pairs beautifully with the overall garden theme. Like Lancaster, a home, like the patterns on this pillow, should be timeless and never too precious. Also available with a down fill and in a 20" size.
